

Welcome New CAMFT Members!

CAMFT would like to welcome the following new members who were approved at the CAMFT Board of Directors Meeting (March 21, 2010).

As we grow as an organization with your help, we become more powerful and better equipped to accomplish the ever-expanding needs of your profession. As we gain membership, we develop strength; strength in numbers, strength in competence and we strengthen our image. This increased strength provides all of us, working collectively, with the ability to be a more recognized, equal part of the mental health profession.

Please take advantage of the many benefits membership has to offer:

- Unlimited toll-free phone consultations
- *The Therapist* (Bi-monthly publication)
- Therapist*Finder*.com (online directory)
- Networking opportunities through Local Chapters
- State-of-the-Art Malpractice Insurance
- Member Listserve
- Representation and Advocacy for the profession
- www.camft.org - Online resource of up-to-date information
